

Central Florida Offshore Anglers (CFOA) and CFOA Marine Foundation (CMF), a 501(c)3 non-profit, are seeking donations of valuable goods and services for our annual auction to be held Monday, November 9th, 2015 in Orlando, Florida. This annual event is the primary fundraiser for both organizations and provides the funds necessary to support and enhance marine related projects, charities, angling education, youth events, and family focused activities on the Central Florida Atlantic coast and greater Orlando region. We are requesting your continued support by donating valuable goods and services for this year's auction to be held Monday, November 9th, 2015 at American Legion Headquarters, 1912 Lee Rd, Orlando, Florida.

In past few years, due to the generosity of our donors, we have been able to support these organizations:

- Cooperative Science Services Dolphin Tagging Program
- Teen Sport Fishing Association
- Hook Kids on Fishing
- Edgewater Children's Ranch
- Take a Warrior Fishing
- Paralyzed Veterans' Fishing Days
- Coastal Conservation Association
- Brevard County Artificial Reef Program

Your donation will allow us to continue executing our mission dedicated to improving the health and rehabilitation of our ocean and marine estuaries, educating the public and children of Central Florida on marine stewardship, and providing marine related programs and charitable donations. You will receive recognition on our website, www.mycfoa.com as well as exposure at the event. Our annual auction is our primary fundraiser and is heavily advertised throughout Central Florida and is open to the public.

We request that you respond with your willingness to support at www.mycfoa.com/donations. Items may be shipped to CFOA Marine Foundation c/o Nathan Jones, 713 Riviera Bella Dr., Debary, FL 32713, or arrangements can be made for pick-up of donated items for Central Florida businesses.
